

# BEESWAX CANDLE

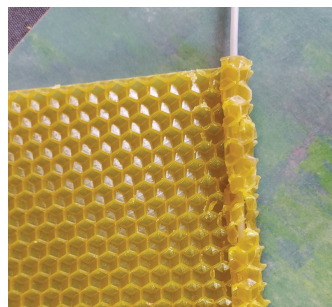

## CRAFT 3

For this craft you will need: beeswax sheet, wick

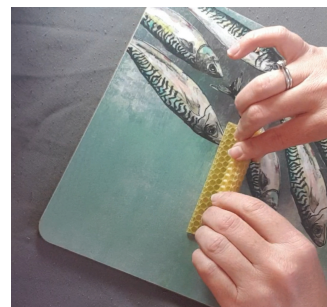

Log in to [alight-house.com](https://alight-house.com) to watch the video tutorial

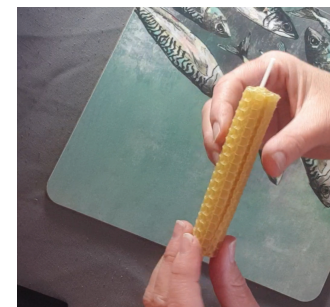

**STEP 1**  
Place the wick along the end of the strip of wax.

**STEP 2**  
Fold the wax over the wick and slowly start rolling away from you.

**STEP 2**  
Keep rolling, gently pressing the wax so the layers stick to each other and form a tight cylindrical shape.

*DISCLAIMER: When lighting a candle, a grown-up needs to be present. Using the lit candle is at the parent and child's own risk. Please use responsibly.*
