

PRAYER FLAMES

CRAFT 2

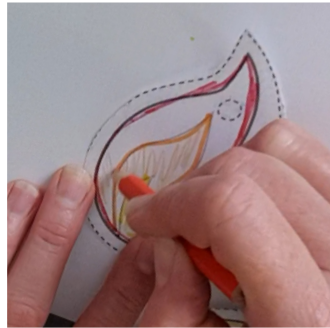

For this craft you will need: base piece of your Beam Box, string, "Memory Verse" printed sheet, "Prayer Flames" printed sheet, scissors, glue, pencil, marker pens, punch (optional)

STEP 1

Download the "Prayer Flames" sheet.

Cut the flames out.

STEP 2

Colour in your flames.

STEP 3

Turn them over.

Think of 3 things that have been difficult for you lately.

Write each one down on a separate flame.

These are your prayers for God's help.

STEP 4

Make a round hole in the top of your flame with a pencil or use a punch. *(A grown-up may want to help).*

STEP 5

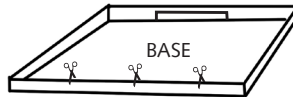

Thread a 10cm piece of string through the hole in your flame.

Tie a knot.

STEP 6

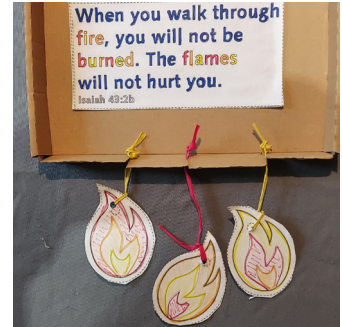

Cut 3 small straight lines on the bottom rim of your box, spaced equally apart.

STEP 7

Then, take out the Memory Verse sheet. Colour the words in.

Stick the Memory Verse onto the inside of your box.
(The rim with cuts should be at the bottom.)

STEP 9

Get your flames with joined string out. Make a 2nd knot in the other end of your string.

Push this end through the cuts you made on the bottom rim of your box.

The top knot should sit on top of the rim with the "Prayer Flames" hanging freely below the frame.

Place in your room to remind you that God is with you in the tough times.

Enjoy!
