STEP 1

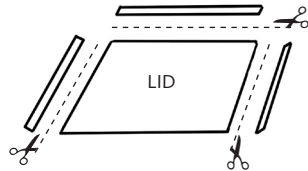

Squeeze out your paint onto a flat surface:

- red & yellow paint next to each other
- blue & white paint next to each other.

STEP 2

Cut off the lid of your Beam Box.
(Keep the base of the box for Craft 2)

STEP 3

Cut off the edges of the lid (see pic).
Keep the ALL the cut-off pieces of cardboard!

STEP 4

Using a cut-off cardboard piece, put blue and white paint on it.

Paint your lid.

Put it aside to dry.

STEP 5

Cut out your “Fire” A5 sheet.

STEP 6

Using another cut-off cardboard piece, put yellow and red paint on it.

Paint your picture.

Put it aside to dry.

STEP 7

Colour in the figures on your "Characters" A5 sheet using pencil crayons.

Cut out the figures.

STEP 8

Cut left over cardboard pieces into tiny squares of around 1cm.

Glue 3 squares onto the back of your "Fire" picture (when dry).

Put glue onto those squares and then stick it on your blue painted background.

STEP 9

Glue 1 square onto the back of each of your "Story Characters".

Put glue onto those squares and then stick each character onto your "Fire" background.

Hope you enjoyed making your own 3d Flames of Fire scene!
